Residential on 0.24 Acres

Sherwood Forest 9th Add, Schererville, IN

Welcome to this beautifully maintained all-brick ranch offering 1,376 square feet of comfortable living space with a full, unfinished basement providing ample storage or future finishing potential. This 3-bedroom, 1.5-bath home has been thoughtfully updated throughout. The kitchen has been remodeled with quartz countertops, a subway tile backsplash, newer stainless steel appliances, and upgraded light fixtures. Gorgeous flooring flows through the kitchen, dining room, and foyer, while the living room and bedrooms feature newer plush carpet with premium padding. The full bathroom has been tastefully renovated with tile walls and a custom tile shower, and shiplap accents add a modern farmhouse touch to several rooms. Enjoy the open feel created by two large archways connecting the foyer, living room, and dining room, along with the warmth of an electric fireplace insert in the living space. Major mechanical updates have already been taken care of, including a new roof, AC, and furnace--each replaced just six years ago--as well as a water heater replaced approximately 6-7 years ago. Step outside to a backyard oasis featuring a large deck perfect for entertaining, an above-ground pool with a 2-3-year-old liner and heater, and a cozy fire pit for relaxing evenings.
